News From 3-6

3-6 have worked collaboratively to create a PowerPoint presentation that demonstrates what they have learnt about our Australian history this term.

This has involved summarising information and typing in into a word document. Editing their writing and transferring it into the PowerPoint slides. Selecting suitable images and inserting them into the PowerPoint.

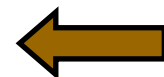

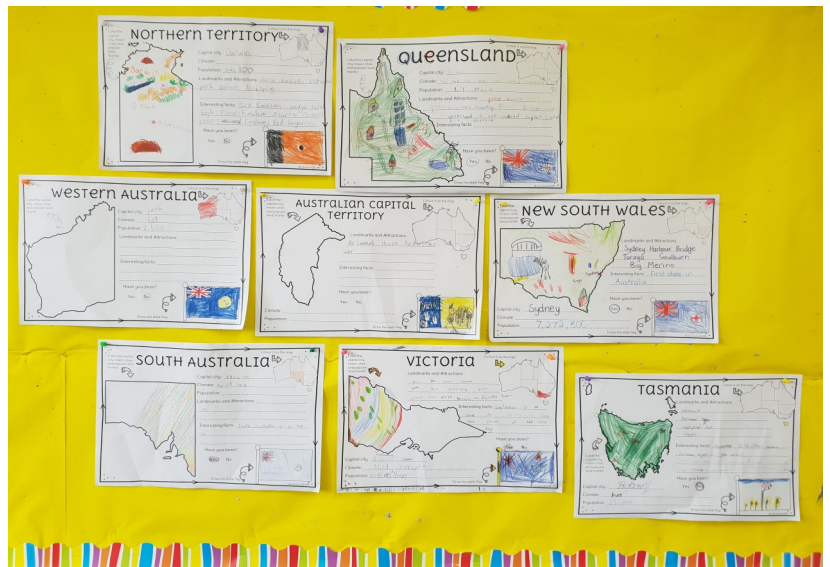

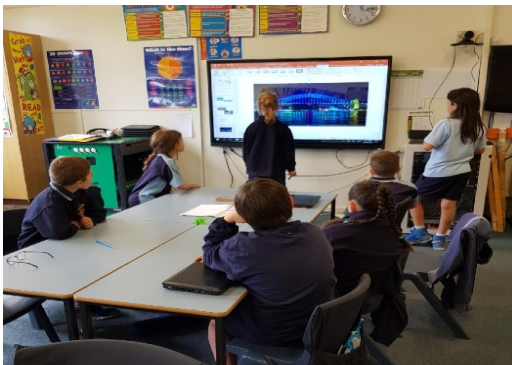

Mrs Katen

News from K-2

Over the past term in Geography we have been exploring our place in the world. We started with our homes and school, then went to our town and we have now learnt about the states of Australia. The students worked in groups to research and collect information about their assigned state for a display in class!

Miss Shaw

Working hard on their PowerPoint presentations.

The joy of the discovery that the experiment worked!!
