News From 3-6

Messages from members of our Regional Relay Team.

'On Friday 14th September Cooper, Ben, Damek and I went to Canberra for our Regional relay. We were watching and thinking of all the people we were going to run against. At 1pm our relay started, we were against Dapto, Bigga, Oak Flats and Captain Flats. Cooper was running first, Ben was running second, Damek was running third and I was running last. We were told the number of our lane, we were in lane 4. When I was running I was against all boys, they were really fast. We came 4th out of the whole region'. **Maddy.**

'On the 14th Damek, Ben, Maddy and I went to the Regional Carnival for the relay. When I arrived I was looking for Damek and could not find him. Then I realised that I had walked straight past him. He was watching the 100m races. One kid got 12. something seconds !! Finally, when it was time for our relay I was running first, I had so many butterflies when we started. We were coming first when I gave the baton to Ben, then we were coming third. When we finished we came 4th. I loved it because I got an ice cream after'.

Cooper

'On Friday 14th the relay team went to Bruce Stadium in Canberra which is near GIO Stadium, which is also called the Raiders Stadium. The members of our relay team were Damek, Maddy, Cooper and myself. When I arrived, with my Mum, we walked into the stadium and saw Maddy, her Mum and her brother going to get breakfast. Maddy's mum told her to go and sit so we could wait until 1.00pm. The people we were against were Bigga, Captains Flat, Oak Flats and Dapto, when it came to the race we finished 4th, it wasn't so bad considering the competition'.

Over the last few weeks I have taken part in professional development focusing on teaching music. We have been exploring pitch and used a line graph to show the variety of highs and lows when we sing the Alphabet. The kids have produced some amazing work!
