Help Needed !!

On October 28th 2018, Goulburn Classic Riders Club are having their annual rally and will be stopping at Tarago School for morning tea arriving about 10.30am.

As a P&C we are going to cater for the morning tea, however need helpers on the day and also every family in the school to make a cake, slice or biscuits to serve on the day. If these can be brought in on plastic/paper plates or containers with your name marked on the container.

Due to the day being a Sunday we are asking if cakes etc. can be dropped off to school from 9.00 to 9.30am on Sunday or Saturday afternoon from 3.00 to 4.00pm at the Tarago Learning Centre.

On Sunday if you can arrive at 9.30am and the event will finish 11.00amish. The P&C receive a generous donation from the motorcycle club with all funds going to support and pay for activities within the school.

If you can help on the day please SMS Emma on 0417 986 605.

News From 3-6

3-6 students worked cooperatively during their Drama session this week to solve problems posed to them. Pictured are the students forming a group of three circles.

K-6 eagerly participated in their Yoga session last week.

On page 3 is a drawing by Cooper Tinson. Cooper's drawing demonstrates proportion and the use of light and shadow to create depth and atmosphere.

News from K-2

In the K-2 classroom we have been reading many new stories. One of these is called The Dot by Peter H. Reynolds. In this story we learn about a girl who does not believe she can make art, until she starts with a single dot. Each of us started with a single dot, and then we made it into something fantastic. Our pictures range from flowers to volcanoes and from television remotes to a pig. I hope you enjoy our artwork.

Snakes

Snakes are out and about again with the recent warm weather. Here is some helpful advise:

What to do if You Encounter a Snake Near Your Property or Workplace

Do not approach the snake – remember that most snake bites occur when people try to catch or kill a snake.

Keep pets away from the area – pets may be curious or aggressive towards the snake but keep them away to avoid an emergency trip to the vet.

Watch from a safe vantage point – monitor the movements and location of the snake from a safe location (ideally behind closed doors or from an elevated space)

Contact a qualified person to remove the snake – they are trained to safely remove and relocate potentially dangerous snakes.
