### Power Outage

This Friday, June 1st, we are expecting power outages between 10am and 2pm. Since we have prior warning of these events we will still be operating as normal but it is important that students bring plenty of water to drink as our pumps and filter

work on electricity. Students will also need to bring plenty of warm clothes as we won't be able to have the heaters on for the main part of the day. We will of course warm the rooms first thing in the morning so that we're not working in ice boxes for the day. The

shop is unable to do lunches on Friday so please make sure to pack lunch for your child as lunch orders will be unavailable. Thank you for your help.

### Mixed Bag

Don't forget we are collecting stickers for the Woolworths Earn and Learn program. If you would like to support us with stickers we would be very grateful. You can either send them in stuck on the cards we sent home (just ask at the office if you need more) or you can drop the stickers in instead. We have two boxes set up in the office just waiting for either stickers or cards.

As we mentioned in last week's newsletter, Wednesday is Miss Vaughan's last day with us before she leaves for

Europe to work and travel. We would like to invite you all to an informal afternoon tea for Miss Vaughan starting at 2:30pm. We would love it if you could join us.

Miss Vaughan would like to pass on her most sincere thanks to the following people for their help in the library yesterday. Thank you Katie Moritz, Julianne de Ruyter, Deb Seymour, Ann, Connor and Leilani Baxendine. You all put in such a big effort and the library is looking wonderful sue to your efforts. Thanks again.

Our 3-6 students travelled to Goulburn North PS today. The students were practising for the GCoPS concert which takes place during Education Week in term 3.

We will be holding a Nit Buster Weekend the first weekend in June. We ask that all families take part to ensure we can get rid of the nits once and for all. Please be sure to take part this weekend and make sure you do the follow-up process over the few days after the treatment.

## District Athletics Carnival

As was mentioned last week, we were waiting for the results from the district athletics carnival to come through before we could publish any of our results.

We had several students representing our school in lots of different events. It wasn't just our school that our students were representing, they were there as competitors from the GCoSS group; Breadalbane PS, Collector PS, Tirranna PS,

Windellama PS and of course our school. Our students all performed well and I'm told they behaved well on the day too.

Well done to all our competitors on a great day. A very big congratulations must go to Michelle dR for her effort in the senior girls discus. Michelle came third with a throw of 15.50m! Great work.
