### Principal Message

#### School Uniform

It is great to see so many students dressing for the weather. However a number of labelled items are missing in action. Can I ask everyone to check all clothing to see if an item belonging to someone else has snuck home. It is important that all clothing is clearly labelled, and equally important to check that the clothing is at the correct home.

I understand that when the weather is bad it may be necessary for students to wear non school uniform items. What I do ask is that if this situation occurs that clothing being worn is plain coloured and without large graphics.

#### L3

The L3 literacy program is in full swing in the K-3 room. Today we were visited by the program facilitator, Mrs Angela Gay. Together with Miss Livesey, Kinder enjoyed showing her how much they have learned.

Everyone is excited about our new lights!
