Principal Message

This will be the final newsletter for Term Three and what a term we have had.

Starting with the Goulburn Community of Small Schools Concert, the Community of Small Schools Creative and Practical Arts Day, our wonderful Book Week celebration, Camp, our visit to the Sport and Cultural Expo in Goulburn and culminating with all of our Eisteddfod competitors doing their best throughout this week.

A thank you to everyone who has supported our students through out this term. Can I especially thank Mrs Beryl Tarttelin for her dedication and commitment in preparing our students for this weeks Eisteddfod. Mrs Tarttelin volunteers her time and travels from Bungendore, twice a week, to ensure our students are prepared for the Goulburn Eisteddfod. Her expertise and enthusiasm are very evident seeing our students progress over the past few weeks, she has been joined by Mrs Diana Stutterd who has also volunteered her time to assist our students.

We have undertaken a minor upgrade to our school computer network and as a result have increased the wifi capacity in classrooms. This will mean that students will have greater flexibility with both laptops and our ipads.

I hope everyone has noticed our new sign which has finally been installed. Keep an eye out for upcoming events!

Next term we will be attending a Science Day at Captain's Flat Public School. Attached to this newsletter is the lunch order form for the day. Please return this to school, along with payment. The Science Day will be held on Thursday 17th October. There will be a permission note in the first Newsletter next term.

There are still a number of outstanding medical notes. These are very important as we go through the process of updating all school records. Please ensure these are returned to school by tomorrow!

School resumes on Tuesday 8th October 2013. Have a safe and happy holiday everyone and I am looking forward to a productive, busy, learning term 4.
