Principal Message

Equipment Back in Play!

Following a great deal of hard work from our dedicated Mr Dempsey, our playground equipment is back in use. With a new roof, a new paint scheme, some nuts and bolts, a tighten here and there and a huge truck full of soft fall students are once again able to enjoy this fun and motivating resource. Everyone was very excited to see the project complete, even Mr Dempsey, who probably needs a good rest after shovelling and shovelling and shovelling.

P+C Meeting

The first P+C meeting for term 3 will be held on Tuesday 23rd of July, commencing at 3:30pm. Mr Jeff Norman, Principal of Aussie Home Loans Goulburn, will be attending this meeting to discuss the Aussie Supporting Kids program. This will be followed by our regular P+C meeting. Mr Norman's input will be approximately 15 minutes. As always everyone is most welcome to attend this meeting.

GCOPS Concert

Students participating in the GCOPS Choir, recorder and percussion items will be performing on Wednesday 31st July, commencing at 7:30pm.

As in previous years tickets for the performance are limited due to number of students participating. Each school is offered 2 tickets per participant and will cost \$5 each. Therefore each student is able to purchase two tickets. To purchase tickets payment can be sent to school in an envelope with the students name clearly marked on the front.

Participation

Responsibility

Respect

Camp

Camp notes and payment are both due. Notes must be returned by Wednesday next week, 24th July. If there are any issue either with notes or payment options please contact school so these can be resolved. Camp is very quickly approaching and all notes must be forwarded from school to the camp venue well before the camp dates.

Attached to this weeks newsletter are forms for updating the schools medical records. It is vital these forms are completed and returned for all students. For many students records have not been updates for a number of years. Please return all forms to school by the Friday 26th July 2013.

Also attached this week are brochures for an offer from software manufacturer EdAlive. Much of the software offered is at competitive prices and is familiar to the software used at school. Our school currently runs many EdAlive titles.
