Principal Message

The Tarago Public School P+C committee are currently organising a Trivia Night to raise funds for our school. Attached to this weeks newsletter is a flyer you may wish to use to encourage your friends and relatives to attend!

To ensure the success of the event the committee are looking for anyone who may be able to help in seeking sponsors for the evening. If you are able to help with this please contact the school and we will collate a list for the committee. Likewise, if you are aware of a business or organisation who would be willing to support this event please contact the school and we will pass the information on to the P+C.

Please also consider becoming involved in the P+C. As a small school we have a small number of families and as a result a small committee. Any input that you are able to offer will be greatly appreciated and will also have a positive impact on our school and your child.

The next P+C meeting will be held on Tuesday 15th October 2013. I hope to see as many faces as possible there. I believe the slice being served at this meeting, with tea and coffee, will be chocolate!

A huge congratulations to Emily Clark who represented both Tarago Public School and the Goulburn District Primary Schools Sport Association at the Regional Athletics Carnival held in Canberra on Friday 25th August. Although missing a top three finish Emily enjoyed the challenging experience and will no doubt continue to

improve from competing at this very high level!

Great Effort Emily!!!

It is great to have the campers back. Although it was very quiet without them:) It would appear most people had a great time. Can I once again thank Mrs Norris for her commitment to our students and for giving up her time to attending this event!

After a great deal of chasing around, to find underground cable locations, tomorrow is finally installation day for our new school sign. Keep an eye out for upcoming events!

Next Wednesday, 11th September., Kinder to year 3 will be attending the Sports and Culture Expo at Carr-Confoy Oval, Goulburn. Travel will be by bus leaving school at 9:20am, at a cost of \$2. Students will return for school by 3:00pm. Students will need to bring recess, a hat and a water bottle, and will need to wear their sports uniform. Lunch will be provided. Please return the attached permission note to school as soon as possible.

And finally next week we welcome back Mrs Watson. In her absence Mrs Seymour has done a fantastic job in our office. A school office is a very challenging area to work within, as everyday there is something different and, at times, it is hard to determine what is around the corner. Mrs Seymour has worked well with staff, parents and students and we have been very lucky to have had her with us during Mrs Watson's absence.

OR MAKE A BOOKING AT

taragopandc@gmail.com

NIBBLES PROVIDED

(Please bring spare change as bribes maybe
accepted on night)

Communication

Schools are a very busy place generally and student safety and well being is always of paramount importance. If you have messages regarding student arrangements please ensure school is contacted directly and that the message is relayed to someone at school. It is often easy for text messages to be missed or late in arriving. This form of communication creates a situation where confusion may occur.

Kinder enrolments 2014

2014 is rapidly approaching and plans are underway for next years kinder students. If you are aware of any kinder students considering our great school for next year please encourage parents to stop in at the office.

Absence Notes

There are still a number of outstanding absence notes following students being away. It is important that all notes are kept up to date. A number of students have reminder notes in their bag this afternoon.

Wonder Worker

Emily Clark

Great effort at the
Regional Athletics Carnival

Wonder Worker

Issac Tubman

Sharing his knowledge with younger
students and helping with their learning
