Principal Message

Swimming Next Week!!

YEAR 2 INVITED!!

We will have a few spare seats on the bus, therefore it will be possible for Year 2 students to take part in the Swimming Scheme commencing next week.

All information is reprinted on the back of this newsletter. Numbers must be confirmed by Friday.

As noted last week the Trivia Evening planned for November has been postponed. We will still be having a fund raiser before the end of the year however. I will be running the Run with the Wind Fun Run to be held on Sunday 17th November 2013.

Both the 5 km and 8 km courses run between the Woodlawn wind turbines. Start in the valley and making the ascent onto the Woodlawn range and following along the ridgeline amongst the wind turbines, before descending back down the range to the finish line.

Included in next weeks newsletter will be details of the sponsorship arrangements. We have already received the support of Barbeques Galore in Goulburn. With first prize in the sponsors draw being a new BBQ!

Some weeks ago a note was sent home asking all families to update school records. The documentation kept at school is very important and needs to be as current as possible. Thank you to the many families who have returned these documents. There are still a number outstanding returns and these will need to be returned as soon as possible. In some cases where details have not changed or there are no health issues, it is important that the returned documents reflect this. There must be a returned document for each student.

A reminder that all documentation must be completed and sighted by the school office before the commencement of next year. To avoid any difficulties this is best to be completed before the end of our orientation period. If there are documents that are needed, sometimes, this can take time and sooner this is finalised the better. Please ensure if you have a kinder 2014 student that you contact the office to ensure a smooth transition into next year.

One of the reasons that documentation, is so important within the school, is that this information is used to determine how our school is organised. One of these factors is funding. This week the Department of Education released details for a new funding model. The funds each school received was formulated from the information about each student. This is why collecting up to date information is so important.

School Swimming Scheme 2013

This years swimming scheme will run from Monday 28th October for two weeks until Friday 8th November. Lessons will start each day at 10:15am, which will mean leaving school at 9:20am each morning. This will ensure enough travel time and time to change.

Students attending will need to bring their swimmers in a bag, rather than wearing them under their clothes. This will ensure after their lesson they have suitable clothing to return to school, if swimmers are worn to school it is easy to forget undies.

Students will need to bring a dry towel each day. It is suggested that students have a shirt to wear during "talk time" however most groups will have there lessons indoors so for freedom of movement it is preferred students don't wear them in the water. Equally, for boys, swimmers need to be of a size that allows freedom of movement , not giant boardies!

Students in years 2, 3, 4,5 and 6 will be undertaking lessons this year at a cost of \$50. Please return the permission note, attached, to school as soon as possible.

FREE Come 'n' Try T20 BLAST
 Saturday 26th October
 10am - 12noon
 Carr Confoy Oval, Park Road , Goulburn

MIL0 T20 Blast is an active new sports program that gives kids the chance to play exciting games of T20! It's for girls and boys aged 8-10 who know the basics of cricket and want to take things to the next level. MIL0 T20 focuses on match-play with all the boundaries, atmosphere and music of T20. It's non-stop involvement for participants - everyone gets the opportunity to bat, bowl and field.
