Swimming Carnival

Tarago Public School students showed determination and spirit competing in the small schools swimming carnival. Although swimming is not our strong suit everyone did their best and competed with enthusiasm. The junior students had an action filled day at the tabloid and judging by the photos had a great time. Now is probably the time to start thinking about next years carnival and where possible make time to practice and improve the vital life skill of swimming. By next years carnival it would be great to see more senior students test themselves in the 50m races. The spirit of the small schools carnival is to have a go and offers students the chance to challenge themselves in a environment of support without the pressure of being overly competitive.

Congratulations to all winners and placegetters.

Well done to both Jacob and Temia who qualified for the District Carnival.

And a cheer for Jacob who was the Senior boys overall Champion and Emily who was the 11yrs girls Champion.

Tarago Show

The P+C are still looking for "helpers" on Sunday 3rd March 2013 for the Tarago Show. As outlined last week any help will be greatly appreciated, even if only for a short while.

If you are able to assist please contact P+C President Emma Tubman on 0417986605.

Road Safety

Following a change to the local policing structure and discussion with Officers from Goulburn there will be an increased presence and reinforcement of our school speed zone. The road outside of school can be quite busy and at times many vehicles fail to adhere to the 40km speed limit both in the morning and afternoon. It is important for everyone dropping off and collecting students each day to observe the speed limit. The safety of our students is paramount!

Please take great care if using the pick up point outside of the school. Ensure all children are closely supervised at all times.

Creative Arts News

Drumbeat

Starting Week Six years 4,5 and 6 will start the Drumbeat program. This program is based on learning the skills to drum as part of a group, each student playing an individual drum. The program is also designed to build self-esteem and teach the capacity to work cooperatively as well as developing an understanding of rhythm and allowing creativity.

These sessions will be undertaken by well know Goulburn resident Alfie Walker.

Goulburn Community of Small Schools

Choir Rehearsal

The first rehearsal of the combined GCOPS Choir will occur at Bradfordville Public School on Tuesday 12th March.

Please ensure the permission note is returned ASAP as the organisation of the day will be complex, for the committee, with all Goulburn Schools being involved. Travel will be by bus leaving at 10:15am. There will a \$2 cost towards the bus.

Mathematics Text

This year students will be using a mathematics text book to support class learning. These books play a keys roll in the delivery of the mathematics program and offering a sequential foundation of stage outcomes.

Each student has been issued with a new copy of the text, at their stage level.

Please find attached an invoice for \$14.40 per student to cover the cost of the text. Please note that at \$14.40 there is a school subsidy applied.
