New Laptops & Furniture

We have just received our allocation of new Laptops and now are eagerly awaiting our new wifi system to arrive. Exciting times. We have also just received our new Furniture sets (tables and chairs) for both classrooms. It has been a very long time since we received new furniture and this will brighten up our classrooms.

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$67 for school-aged children and \$48 for preschoolers (prices exclude pool entry fee).
