Athletics Carnival

Hopefully the weather will stay favourable for our GCoSS Athletics Carnival on Monday. All organisation will be the same as for the original date.

A new permission note is attached to this newsletter. This must be returned tomorrow, Thursday, 03/04/14.

P&C Meeting

The final Term One P&C meeting will be held on Tuesday 08/04/14 at 3:30pm. Please come along and become involved in our school. It was great to see so many parents attend school on Saturday just past, it would be great to see those numbers next Tuesday.

Head Lice

Head Lice are a regular visitor to school, in fact, around 23 per cent of primary school children screened through the NSW Health Nitbusters program have head lice. Head lice are a very common problem that most parents and teachers are more than familiar with. If your child has head lice here are some treatment tips:

- Do not treat your child if their scalp is irritated or inflamed
- Always read the head lice product label and directions before you apply it to your child's head. Products can be found in local chemists
- Apply the head lice product to every strand of your child's hair and work through, leave for 20 minutes, and comb out with a good quality lice comb
- Check your child's head and if

dead lice are found, the product has worked. However make sure you re-treat your child's head in seven days to catch nymphs that have emerged from unhatched eggs

- Reduce the risk of your child catching head lice by tying their hair back or braiding it.

Easter Fun Day

On Thursday 10/04/14 the Tarago Preschool will be visiting Tarago Public School for a Easter Fun Day. Activities will commence at 11:30am and students are asked to donate a gold coin. This donation will include a sausage sizzle per person with additional sausage sizzles available for \$2.50.

There will be an Easter egg hunt, egg and spoon races, sack races, Easter raffles running during the day and last but not least an Easter Hat Parade.

The hat parade will be run in categories, Preschool, K/1, 3/4 and 5/6. hats are to be created at home and brought to school on the day. Parents are most welcome to come along and share in the fun.

Tour de Cure

What a great day Saturday turned out to be.

It was fantastic to see so many students and parents at school. I know the riders really appreciated the chance to meet everyone from Tarago Public School.

Well done to Emily Clark who represented all students in making the presentation of the cheque, for the funds raised from the Mufti Day, to Channel Seven presenter and Tour de Cure rider Mark Beretta.

Special mention also to Oscar McCabe, for a fabulous and very impressive effort in out pushing upping the tour riders. The whole crowd was in awe of Oscars determination.

A huge thank you to Harvey Norman, Canon and the Tour de Cure organising committee for their generous donation of a wonderful Canon 1200D camera, a colour wireless printer and an iPad. These items will be used to support learning in our school.

It was wonderful to see our COLA a hive of activity and filled with such a positive, happy and inspiring event.

You can follow the riders either on Sunrise each morning or through the Tour de Cure website.

Well done everyone!
