Principal Message

Cross Country

The Small Schools Cross Country Carnival was held on Tuesday, with Tarago PS performing particularly well, finishing second in the aggregate points score. Well done to all students who participated, it is the high level of participation that helped our school achieve this pleasing result.

Three Tarago students managed to win their age race. Isaac Tubman was first in the 8/9 years boys, Jaiden Moritz won the 11years boys and Emily Clark being first in the 12/13 years Girls. Other notable performances were Cierra Wilson 3rd, 8/9yrs girls, Blake Ezzy 4th 10yrs boys, Melissa Williams 4th, 10yrs girls, Grace Tubman 2nd, 11yrs girls, Gemma Seymour 3rd, 11yrs girls, Kaylee Williams 4th, 11yrs girls, Adonis Katrivessis 3rd, 12/13yrs boys, Liam Moritz 4th, 12/13yrs boys and Tanisha Williams 2nd, 12/13yrs girls.

All of these students have qualified to compete at the District Cross Country to be held at Wollondilly Public School on Monday 19th May.

Please complete the attached note and return it to school as soon as possible.

It is very important that these notes are returned, as we must let the district coordinators know who will be attending. If there are issues with transport please contact school and we may be able to help find seats in cars travelling to the carnival.

Please note there is a \$2 levy for participating in this carnival.

Athletics Carnival

Tarago Public School won the total point score award at the recent Small Schools Athletics Carnival. This means that throughout the day Tarago scored more points than any other participating school. As we saw in last weeks newsletter our school had a large number of students who placed in their individual events, this gave us a great start in the points score. However, our points were greatly increased through the fact that so many of our students entered and did their best in events.

Well done everyone!

Emily Clark had a fantastic carnival and as a result was crowned Senior Girls Champion! Emily has a busy day planned at the District carnival.

Congratulations Emily!!

P&C Meeting

Our next P+C meeting will be held on Tuesday, 13th May, at 3:30pm. All welcome!

Mother/Grandmothers Day Stall

This week's Tarago P+C and Tarago Preschool Parent Group Mother/Grandmothers Day Stall prove a big success.

Thank you to the Preschool Parent's for coordinating this and a happy Mother's Day to all mothers and grandmothers for this Sunday.

Nationally consistent collection of data on school students with disability – 2014

Our school is participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

All information is protected by privacy laws which regulate the collection, storage and disclosure of personal information. Information about the Australian Government's Privacy Policy can be found here: <http://education.gov.au/condensed-privacy-policy>. Information about the NSW Government's privacy policies can be found here: <http://www.ipc.nsw.gov.au/>

If you do not want your child to be counted in the data collection please contact school for a copy of the exclusion form which must be completed and returned to school before the end of Term 2, 2014. A decision to exclude your child will not affect the support they currently receive.

Further information about the data collection can be found on the Australian Government Department of Education website:

<http://education.gov.au/nationally-consistent-collection-data-school-students-disability>

If you have any questions about your child being included in the data collection please contact the school.
