NSS - National Simultaneous Storytime

National Simultaneous Storytime is an annual campaign that aims to encourage more young Australians to read and enjoy books. Now in its 15th successful year it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy using an Australian children's book that explores age appropriate themes, and addresses key learning areas of the National Curriculum for Grades F to 6 and the pre-school Early Learning Years Framework.

This year NSS is being held tomorrow 27 May for K-2 and this years book is 'The Brothers Quibble'. We will listen to the story and then incorporate into the session craft activities that pertain to the story.

Student Details

If you have not already done so, please complete and return the Student Emergency Contact Detail Report. Please carefully read all the details and mark in **RED** pen any changes that need to be made. It is essential that we have the most up to date details for your child, in case of an emergency. Even if there are no changes to be made, please return the form. Thank you.

Absences

If your child is absent from school it is a requirement of the Department of Education & Communities that all absences be explained within 7 days of the occurrence. You may wish to call the school and provide a verbal reason for your child's absence, but preferably we would like a note. Please see office if you require another absence booklet.

Public Holiday

A reminder that Monday the 8th June is the Queens Birthday Public Holiday. School will resume on Tuesday 9th June.

News from the Primary Room

The 3 – 6 class have been very busy over the past couple of weeks looking at desert survivors. Some of the children have presented speeches on desert dwelling animals and plants that have adapted to little or no rain. The children have also investigated plant water loss using absorbent cloths instead of leaves to simulate different surface areas. They are looking forward to their experiment examining desert animals' adaptations and how they keep cool in extreme heat.

GCOPS concert practice is coming along nicely, with some very harmonious sounds coming from the room. As usual the children are working hard on their literacy and numeracy, and enjoy playing the new game they have learnt in P.E.
