News from K-2

As part of our Science unit "All mixed Up" we have been working with different kinds of mixtures for different purposes. Today we made chocolate crackles and had a lovely time making and eating them.

News from 3-6

On the 10th April Jasmine, Ashlee and myself went to represent Tarago Public School at the Bungendore Rotary Public Speaking competition. It was a great experience for everyone. I kept practising my speech over and over again. It finally was my turn to speak, I was so nervous, my knees were shaking. I gave my speech and it was great. At the end I got a certificate. I think I did very well and it was a great experience.

Stephanie Saunders - Year 6

The 10th April was so fun because Stephanie, Ashlee and myself went to represent the school for Public Speaking. When we arrived we signed up. I had butterflies in my stomach when I walked to the front of the room to say my speech on Port Douglas. At the end we all received a very nice certificate.

Jasmine Briggs - Year 5

Last night I went to represent our school at Bungendore Rotary Public Speaking competition. The people that represented our school were Jasmine, Stephanie and myself. Even though I felt nervous it was still quite fun. I was the fourth person to speak. I spoke about my favourite Australian mammal, the Echidna. I think around 80 people were there.

Ashlee Chinnery - Year 3
