News from K-2

Dear Parents/Caregivers,

Home readers will be getting changed and going home with your child every Monday from next Monday, the 28th of May. The students will have their folder of books for the whole week and weekend allowing plenty of time to read and even reread their books.

To clarify some questions about the setup of the home readers, they are levelled differently to their benchmarked reading at school so don't worry about the numbers! The most important thing to support your child is to read to them and with them. The main focus of home reading is to encourage a love and joy of reading.

Thank you,
Miss Shaw
