We look forward to welcoming our prospective kindergarten students for 2020. Sessions run from 9.20am to 12.10pm, children are able to be dropped off from 8.50am or arrive on school bus. Children are to wear sensible clothing, runners or enclosed footwear, a brimmed hat is essential. Children must also bring a drink, fruit or veg for crunch 'n' sip, their lunch and will eat with the entire school. Once the session has ended at 12.10pm children can be collected from Mrs Beer or staff members will walk them back to pre-school if Tuesday is a regular Pre-school day. Please advise the office how your child will be leaving each session.

Principal's Report

Dear Parents and Carers

I am writing from our camp at Berry. The children are having a wonderful time meeting new friends and challenging themselves with numerous sporting activities. Yesterday we completed a 6km walk up a massive hill to see the beautiful sights of the coast and the surrounding mountains. Needless to say everyone fell asleep early last night! This morning we are going canoeing so it should be fun.

I would like to welcome back Mrs Beer to school. I know she is excited to be back on class and looking forward to teaching the K-2 class.

Last weekend we had a massive clean up of the school grounds. Thank you so much to all the parents, children, teachers and volunteers who gave up their Sunday to help. The school looks so much better and I believe we nearly filled up the tip! We can actually see and use the cricket pitch and green house again!

News from K-2

It is wonderful to be back at Tarago again. The children were excited to see the lovely new tables in our room. They have been participating in daily fitness with Miss Divall in the morning to get them ready for learning. This term we have a classroom play shop as we will be learning about money as part of our maths program. K-2 will learn about growing things/plants and animals in Science and will be doing some gardening this term. As the weather warms up it is important the children drink plenty of water. They will be able to bring drink bottles into the classroom and have a drink when necessary. We hope 3-6 have had a great time at camp this week.

Student Banking

If you are interested in teaching your children to save money, why not think about Student Banking. It is simple & easy to set up.

Banking day is
Thursday.

Student Details

If, for any reason, details or circumstances change for your child please advise the school immediately. Change of address or phone numbers must be notified to the school as soon as possible. In the event of an accident or injury we need to be able to contact you.

Hats in Term 4

The weather is getting hotter and the sun quite strong. This term our no hat, play in the COLA policy is in force. This means students who do not have a broad brimmed hat will be required to play in the COLA. This provides students an excellent shaded alternative play area. School hats are available at office for \$12.00.

P&C NEED YOUR HELP – FUNDRAISING DAY!

The P&C are catering and running the canteen for the next Tarago Markets on **30th November.**
We need volunteers for the day -

On the BBQ

In the kitchen cleaning dishes

Serving food and handling money

Donations of cakes/biscuits/slices/scones/gluten free options – any and all baked goods would be greatly appreciated – **these items can be left at the school Friday 29th November for collection**

More hands make light work! Catering the markets will be a big day so any help we can get will be fantastic. This is a great fundraiser for the P&C and the money raised will ensure that we can continue to put money towards costs of future camps, buses, projects etc.

For more information or to put your name down as a volunteer please contact our President
