To reward the students (& Staff) for a great year of learning and participation at school, we have organised a great End of Year Celebration Excursion. On Tuesday 17th December, we will be taking the entire school (including all staff) to the Movies!! We will be watching Frozen 2 (PG) then heading to Victoria Park where we will be joined by Binda Public School for lunch, we will enjoy pizza & donuts. This is a whole school excursion, there will be NO staff at school. A permission note was sent home last week, if you have not returned the note please do so as soon as possible. There is no cost for this excursion.

### Presentation Evening

Tarago Public School end of year Presentation Evening will be held on Thursday 12th December at the Tarago Hall, 5.30pm for a 6pm start. We guarantee a great family night to celebrate a fantastic 2019 school year. We would like to ask that families bring along a plate of food

to share and enjoy after the official ceremonies are complete.

### Principal's Report

I would like to thank the P & C and all the parents and community members who baked amazing quality cakes and quiches for the Tarago market on Saturday. It was a smoky day but still everyone helped to make it successful. I would also like to thank Tim at the Loaded Dog Hotel for donating prizes for the pub raffle for the past 4 weeks. We sold quite a few tickets on Friday night.

As you may already know we want to focus on creating a new outdoor activity playground for the students to utilise for fitness and play which will be built in stages when funds become available. The students have homework for the holidays and that will be to design their ultimate playground. I have suggested to the children that while on holiday, if they see something fun in a playground, to take photos to assist them in their project. More information to come about the homework project shortly!

## News from K-2

This week Years 1 and 2 have been learning quick ways to remember multiplication tables. Kindergarten have been learning about division, sharing in equal amounts. All of K-2 have been listening to a book read to them called Merry Meerkat Madness. It is about how a meerkat family find about Christmas. This week's news topic is to find out about a Christmas symbol or decoration and its meaning. Draw a picture or take a photo and write your findings to help you when sharing with class. K-2 have had fun dancing for sport with the 3-6 children and learning some new moves.

## News from 3-6

In History, students investigated and identified the meaning of totems for Aboriginal and Torres Strait Islander peoples. The students choose an animal that they feel represents them to be their totem, then create an artwork of their totem and explain why they feel that this animal represents them. The students also enjoyed decorating the classroom with a Christmas Tree and lights. Our Christmas activities will begin next week. Not long too go now!
