News from K-2

Welcome back to school to all our K-2 children especially our new Kindergarten children. I am looking forward to working with you all. I am also new to Tarago PS this year and am excited to be able to work in such a beautiful school. I have been teaching for many years in both large and small schools in the Goulburn area and the Southern Highlands. I live in Goulburn and have a large family. I grew up in a small community and went to a small school during my early school years.

Please contact the school to make an appointment if you have any questions or concerns regarding your children. The first few weeks will be about getting to know each other and setting our routines so home reading and homework may not start until week 3.

News from 3-6

If you are interested in teaching your children to save money, why not think about Student Banking. It is simple & easy to set up.

Banking day is

Thursday.

Snakes

Snakes are out and about again with the recent warm weather. Here is some helpful advise:

What to do if You Encounter a Snake Near Your Property or Workplace

Do not approach the snake – remember that most snake bites occur when people try to catch or kill a snake.

Keep pets away from the area – pets may be curious or aggressive towards the snake but keep them away to avoid an emergency trip to the vet.

Watch from a safe vantage point – monitor the movements and location of the snake from a safe location (ideally behind closed doors or from an elevated space)

Contact a qualified person to remove the snake – they are trained to safely remove and relocate potentially dangerous snakes.
