News from K-2

K-2 have been focusing on improving the quality of their writing this week. We have been working on punctuation and some of the grammatical features of writing. Some of the children have been working on listening to how words are voiced and letter/sound correspondence to assist them when reading and writing. In Geography we have been doing a unit on places and our place in the world, and in Science this week we talked about water and how we can save it. We have started doing morning fitness and do a variety of physical activities throughout the week.
