P&C News

At yesterday's P & C meeting the idea was raised to change the start time of the monthly meeting.

It was discussed that this may make attending the meeting more practical for some families.

Attached to this newsletter is a survey to determine if there is enough interest in this proposal.

Please return the completed survey forms to school by Wednesday, 10th April. This will allow the P & C to examine the responses and plan for next term.

News from K-2

We have welcomed Cooper to our classroom today. He has come all the way from Adelaide. We now have 11 children in Year 1. We have been making models of buildings around Tarago and constructing a town. We have been learning about built, natural and managed places in Geography this term. Everyone is enjoying special read and relax time after lunch and sharing about what they are reading. This week we have started working on the next celebration for the year- Easter. K-1 will have a special day next Thursday while the Year 2-6 are at Cross Country in Goulburn.

Run and Fun Day at School K-1

Thursday 11th April 2019
The children in Kindergarten and Year 1 will be participating in an activity day and are able to wear casual clothes with sports shoes. We will do a short cross country run, arts and crafts and fun games.

News from 3-6

3-6 students have been working on creating a robot that "senses" an object that it approaches and either stops or avoids a collision. This has been a challenge, however all groups have had a degree of success.

Watching the groups at work makes me confident, when I get to trial a driverless car, I am in safe hands.

Equally, it is great to see students developing the highly valuable skills of collaborative practice, team-work and team-building.

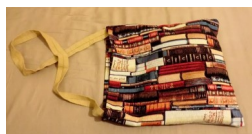

Great job everyone!

Library

Please remember to send students with their Library bags on **TUESDAYS**. All students have Library once a week with their teacher on Tuesdays.

If you are interested in teaching your children to save money, why not think about Student Banking. It is simple & easy to set up.

Banking day is **Thursday**.

Change of Plans

If for any reason your children are not traveling home by the regular means a parent **MUST** contact the school to notify the change of plans.
