News from K-2

This term the children have been enjoying learning tennis skills for sport with Corey. They have been making artworks using stencils, crayon and water paints to represent Autumn. This weeks News topic is 'What your family did on Mother's Day' or talk about an item that is special to your mum or grandma.

Homework was sent home on Tuesday afternoon. This is due back on Monday next week. I will be trying to get homework sent home each Tuesday or Wednesday. Please ensure your child/children have a protective bag if they wish to borrow from the Library. Our Library day is Tuesday.

Enjoy your week.

News from 3-6

The mothers of the students in Years 3-6 were treated to a magnificent original artwork as a gift on Mothers Day. The students used three mediums to produce these spectacular artworks, pencil, paint and charcoal. The work required the application of several techniques. The background was created with the use of a wide brush dipped in white paint and the corners dipped in black paint to create a stormy effect. The following day the students drew the outline of the tree and landscape. Following this, they used cotton buds to stamp the colourful leaves. They drew in the branches and coloured the trunks in pencil. Finally, they used charcoal to colour the landscape. They were all very proud of their finished product!
