### T4L Awards 2019

Mr Katen and Tarago Public School have been nominated for the 2019 T4L Awards.

What are the T4L Awards?

These awards will recognise and celebrate leading and innovative practice in the use of technologies by a **NSW public school**. Leading schools in each of the areas will not only be inspiring and leading change within their own school community, but ideally will also be participating in online and/or physical communities of practice, sharing their expertise. They are collaboratively supporting teachers to develop the skills of the profession and inspire organisation-wide change.

There are 10 categories within these awards.

What category is the nomination for?

### **"LEADER IN ROBOTICS"**

Leader in both the application and teaching of robotics. Includes upskilling of staff and inspiration of students. This may also include participation in state and nationwide robotics events and the contribution to the wider robotics in education community.

The staff and students of Tarago PS would like to congratulate and thank Mr Katen for leading Tarago Public School in this vital area of future focussed learning.

### P&C Meeting

The next P&C Meeting, will be held on Tuesday **11th June 2019** @ 6.00pm. Please come along and consider how you can help and support the students of Tarago Public School.

### News from K-2

This week the children have been looking at the changes the seasons bring to our environment and how our habits and the way we dress is also affected. Below are photos of their beautiful artwork. They have also been focusing on what it means to be kind. You can see their fantastic posters on our classroom windows. I am seeing many of them making wonderful progress in reading and writing skills. Keep up the great work everyone. Today is National Simultaneous Reading day. At 11.00am we joined children in schools all over Australia reading *Alpacas with Maracas*. This was followed by activities related to the book.

Mrs Beer

### News from 3-6

Years 3-6 participated in National Simultaneous Story Time today. They wrote some very interesting character profiles for their alpacas. National Simultaneous Story Time (NSST) is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. Now in its 19th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Foundation to Year 6. NSST aims to promote the value of reading and literacy.

Mrs Katen

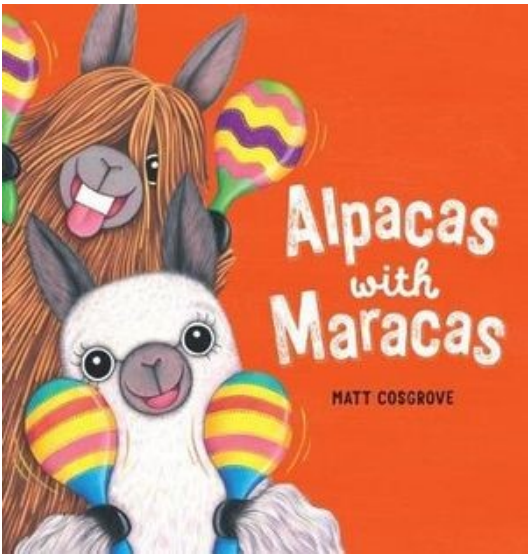

### Spotted around Tarago PS

- ♦ K-6 students showing willingness to participate & read in NSST.
