## This Week at Tarago Public School

### SKYWORKS

Tomorrow, Tarago Public School will host TREC member schools for the SKYWORKS experience. SKYWORKS is a mobile planetarium that offers students a chance to be guided by experts in the exploration of the night sky.

Sessions will be undertaken based on the year stages of the students, with the program tailored to all students' needs and level of understanding.

The cost for the day will be \$8.00. If there is a permission note attached to this newsletter, please complete and return with money tomorrow. **If you do not, your child cannot participate.**

**Students will remove their shoes to enter the planetarium.**

### Power Outage

We would like to thank all families for your understanding and quick action yesterday regarding the power outage at school. No water, heating or lighting made regular classes impossible.

### Assembly Term 2

The first School Assembly for Term 2 was held today, Thursday 30th May. Everyone thoroughly enjoyed a K-2 performance of Alpacas with Maracas Rock. Congratulations to all students who received achievements awards.

### Athletics Carnival

TREC Athletics Carnival will be held next Tuesday 4th June at Hudson Park in Goulburn. If there is a permission note attached to this newsletter, please complete and return with money tomorrow. \$10 levy is for all students.

### Label School Clothing

We ask that you PLEASE label items of clothing such as jumpers, jackets and shirts. Many items of clothing are lost and while every endeavour is made to return clothing items to their rightful owner, it is ultimately your child's responsibility to look after their own belongings, including clothes. We would also ask that you check clothing regularly to ensure that items of clothing belong to your child. If you find an item with another students name please return it to school office.

### Book Club Issue # 4

Scholastic Book Club Issue # 4 is attached to newsletter. All orders are due by 20th June, including all LOOP orders.

### Spotted around Tarago PS

- ♦ Katie & Kayley playing nicely with Glenn Michael.

### News from 3-6

Students in Year 3, 4, 5 and 6 have been outdoors applying their knowledge in regards to what they have learnt in Measurement. They have learnt to choose the appropriate unit of measure for the particular area or object that they are required to measure as well as apply the formula for measuring area and capacity.

### News from K-2

This week has been busy in K-2. The children have learnt many facts about Alpacas. They will be sharing some of these with you at assembly on Thursday. They have also been making maracas as a follow up to the book we read on Friday called Alpacas with Maracas. They were keen to show their musical skills at assembly too. Below is a poem the class wrote together about Autumn and some of their lovely illustrations depicting what this season means to them.
