English

News from 3-6

In Science this week Year 4 have listed the properties of a plastic ruler, rubber band, glass jar, wooden pencil, aluminium foil and A4 paper. They worked together testing the various items in order to list whether they were soft, rigid, opaque, transparent, reflective or stretchy.

Drama is one 3-6's favourite subjects this term. We have focussed on the Drama component from the Creative and Performing Arts curriculum. The students are developing skills in characterisation and ensemble building.

Year 3 enjoyed challenging the rest of the class to guess the character they described using adjectives.
