News from 3-6

As part of their shared reading time, students in 3-6 have been enjoying listening to and studying "The World's Worst Children", by David Walliams. Every student in the class will get an opportunity to read to the class. As well, we have been discussing the language and characters in the book.

Miss Divall

Congratulations to Lucy Henderson for earning her Pen Licence. Well done, Lucy!

News from K-2

The K-2 room has been busy this week. This week the children are reading 'Thelma the Unicorn' and talking about all the wonderful things that make them unique. Everyone is working well in reading groups and the class have enjoyed all the activities. The children played a sight word game with our school BeeBots, they found it challenging, but fun to program the BeeBots to reach the words they selected. In math we have been looking at informal units of measurement and have been using dinosaur footprints to measure things in the classroom. The class have been enjoying dance for fitness inside, while the weather is cold. Our classroom has visiting puppets named Gus and Gertie, the children are enjoying taking turns holding Gus and Gertie while they work. Library will be on a Tuesday, if students wish to borrow please remember to bring their library bag.
