### Principal's Report

#### *Dear Parents and Carers*

We have made it to the last week of school for term 3! What a fun filled

term this has been!

On behalf of the school I would like to congratulate **Jasmine** and **Ashlee** on their brilliant performances at the Goulburn Eisteddfod **Public Speaking Competition** this week. The girls spoke about their favourite things. Jasmine shared her passion for gymnastics and Ashlee talked about her beloved horse, Pepper. Well done girls!

The children have enjoyed browsing and purchasing new books from the **Book Fair** this week. We are all looking forward to the **Book Week Celebrations** tomorrow starting at **9:30am**. Please dress up as your favourite super hero or book character.

The furniture arrived on Tuesday for the STEM learning centre. Mrs Lawson and I have been working hard on assembling it!

In the holidays we are having a **Work Bee**. The school needs to look its best, so we will meet on the last **Sunday** of the school holidays (**13<sup>th</sup> October**) at **10am**. We would like to remove all the rubbish, do some gardening, tidy the grounds and remove all the fallen timber. Remember many hands make light work so please assist if you can. We will especially require trailers, chainsaws and tip passes to clear the build up! Also if anyone knows how to do some fencing and repair the fence we would greatly appreciate it!

Enjoy the school holidays and keep safe! We will see you again next term!

To all the happy 3-6 campers please remember to meet me outside the Goulburn Court House at 7am, on Monday 14<sup>th</sup> October!

**Miss Michelle Jones**

## Book Fair

The annual Book Fair continues to be a favourite of students. This year we have a great selection of items and we hope you have had a chance to browse. Last day to purchase at the Book Fair is tomorrow.

## News from K-2

This week the children have continued their science unit about mini-beasts. The children were very excited when Miss Dyer brought in worms for them to investigate. They have also continued their informational writing, about animals. We continued practising basic computer skills, the children have improved greatly since the beginning of our lessons. Well done K-2!

This will be my last newsletter article for K-2, I have enjoyed my time at Tarago Public School, working with an amazing group of children. Thankyou Tarago!

I hope everyone has a safe and happy holiday. The children have worked hard and the break is well deserved.

**Mrs Casey**

## News from 3-6

In maths, students have been investigating whole numbers. Stage 2 students have focused on using place value to partition, rearrange and regroup numbers to 10 000. Stage 3 students have focused on identifying and describing the properties of prime, composite, square and triangular numbers. Students have also been working hard on researching a person that they admire, in order to write an information report in the form of a biography. The door of the 3-6 Classroom is now decorated with the "Stars of 3-6". I would also like to congratulate Jasmine Briggs and Ashlee Chinnery for participating in the speech section of the Goulburn Eisteddfod. Jasmine received a Highly Recommended Award for her age group, and Ashlee came first in her age group. Well done to both girls! Just a reminder that parents are welcome to come and join their child in the primary class this Thursday, as part of our Book Week activities. See you then.

**Miss Divall**
