This Week at Tarago Public School

TREC Swimming Carnival 2020

Congratulations to **Michael Clarke** who won the TREC 11 Years Boys Age Champion medallion yesterday at the TREC swimming Carnival. A fantastic effort Michael !!!

Community Health Dental Visit

Tuesday 25th February sees the yearly visit from Community Health for student dental health check up.

Principal's Report

Congratulations to all the students who attended the TREC Swimming Carnival and swam in the races. It was a wonderful day and it was so nice to see so many families supporting their children.

As I have mentioned in the past one of our students Ashlee Chinnery has been participating in the Mighty Playwrights mentoring sessions during 2019-20. The program has been very successful and Ashlee has been working with playwright David Atfield in the Library to develop and write her play, called 'Best Friends'. Ashlee's play, along with those of the other 10 participating students, will be brought to life on stage at the Lieder Theatre during the Library's

Book-Fest Reader Writer Festival on Sunday 29th March 2020. If you would like to attend the Gala performance and support Ashlee, tickets can be purchased via

<https://www.trybooking.com/BIBFK> for \$10 per person.

I have been speaking with parents who are interested in their children learning a musical instrument. A brochure is attached from a local professional music teacher who is willing to come to our school and teach private lessons. Please view the brochure and call the school if you would like us to arrange the lessons. If anyone has a piano which needs a new home we would be interested in receiving one. *It would need to be in good working order!*

We have a new sensory garden! Mrs Henderson came up with the brilliant idea, Bunnings provided the school with over \$1200 worth of gardening products and Mrs Thiele assisted. The garden was completed on Monday. The students love their new garden and are eager to watch the new plants grow. Thank you very much to Mrs Henderson, Mrs Thiele and Bunnings for your ongoing support of our school!

Photos on page 3.

Miss Michelle Jones

Principal

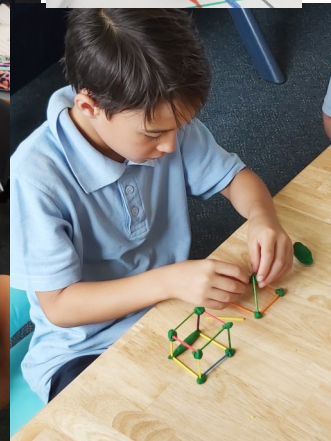

Spotted around Tarago PS

- ♦ Oscar and Jack H for being responsible Roll runners.
- ♦ Mrs Watson for all her hard work in the office!
- ♦ George for being a great help by picking up sports equipment around the playground.

News from K-2

Over the last week Kindergarten have taken part in the Best Start assessments of Literacy and Numeracy. Literacy has been completed and Numeracy assessments will start on Thursday. Stage one have enjoyed completing some new activities using their spelling words and are becoming more able to be independent learners. In Science we have been watching Mystery Doug as he shows us how pencils and glass have been made. Next week we will be doing practical work in Science looking at different mixtures and what they become when mixed together. The photos are of the children working in Maths activity time. Have a great week everyone!

Mrs Beer

News from 3-6

In 3-6 we have been learning about the attributes of 3D objects and using the split strategy for addition and subtraction. The students have been practising their typing skills and learning how to code an Ozobot. The students have then been able to create a map to retell famous fairy tales and use the Ozobot to assist in the presentation. Buddy reading has started and 3-6 have been assisting K-2 with their reading skills for 10 minutes on a Wednesday. We have also been very fortunate in gaining a class helper. Mrs Sturgiss has started working with the 3-6 students and supporting them in developing their reading skills.

Champions, Michael
in a sea of red!

News from the Library

Most students borrowed from the School Library last week. Students need to bring their library bags with them each Thursday so that they can borrow books.

Recently students have been studying features of non fiction books.
