This Week at Tarago Public School

Principal's Report

What an unusual term 2 this has been! We all need a good rest over the holidays. I want to thank you all for being able to adapt so well to the changes we had to make during lock down. Parents especially worked hard to cater for their children's education in this time and the students tried their best to continue studying. I would also like to thank my staff who put in all the extra hours accommodating for online learning and teaching in class at the same time.

In the first week of next term we will have a new sail shade over the playground area, which we are looking forward to seeing! Students will return to school on Tuesday, 21st July. There will also be some more trees cut back over the holidays to make the school look more tidy.

We will also be welcoming our new teacher Mrs Tinson to the K-2 class. Thank you to Miss Divall who very quickly had to go on K-2 with extremely short notice. Her acceptance of this temporary position ensured that the K-2 children had minimal disruption to their learning.

We are ahead of schedule with school reports and are happy to tell you that they will be sent home this week.

Have a lovely holiday and keep safe!

Miss Michelle Jones

Principal

Enrolments

New enrolments for Kindergarten 2021 are now open. Please contact the school office if you have a child turning 5 before 31st July 2021.

We have new students starting at the beginning of term 3. If your current circumstances are changing (moving address or changing schools) please notify the school as soon as possible.

Student Banking

Commonwealth Bank Student Banking will resume in Term 3. Student banking day is Thursday. We look forward to assisting students and their saving journey.

Spotted around Tarago PS

- Ben T for happily helping George with his laces.
- Jack Hogan for being helpful and kind in the classroom.
- Charlie L for always being pleasant and kind.
- All students for patiently waiting their turn at office each morning.

News from K-2

What a busy term we have had in K-2. Since returning to school the students have been working very hard. Some of the students have created exceptional pieces of narrative writing. In art, students created their fairy-tale character out of clay, using their drawings as inspiration. Students really enjoyed investigating and measuring the area of their foot using centicubes as a unit of measurement. Could all home readers and library book be returned before the end of term. Have a great holiday and see you next term.

Miss Divall

News from 3-6

In the past two weeks the students have been studying about Antarctica, as it is the biggest desert in the world. They have enjoyed learning how to use Microsoft Publisher to create posters and brochures and have enhanced their research skills by learning how to reference their sources. The students have been quite creative with Miss Dyer as they made dioramas of desert scenes which included desert survivors who live in those particular regions. In music the students have been learning how to play the drums and shortly we will have our own drum kit at school, should students wish to have private drum lessons.

Over the holidays it would be fantastic if the students could participate in the Paper Plane flying competition. I have sent out a notice about this on the Seesaw app. Arrangements are being made for the 3-6 students to attend Goulburn High on the 15th September to see the Planetarium. It provides a 4K Earth & Space science experience which will engage, amaze and inspire us as we go on a Space adventure!
