News from K-2

In week 5 we learnt about Chameleons and their amazing ability to change colour depending on their surroundings. Using our colour matching skills students were challenged to camouflage their chameleons somewhere in the classroom for other people to find. Here are some examples of some their hard work. There are 19 hidden in our classroom, you may have spotted a few when you visited us for Assembly.

Garden Experience

On Monday after Crunch and Sip our class got out the garden tools. We got out garden gloves, shovels, spades and forks.

While we were working in the garden we had some of the snow peas which we had grown.

We pulled out all the weeds and we also harvested the beetroot and broad beans. In the process we found lots of lady beetles, a skink and curl grubs.

While we were weeding the garden with Mrs Katen, Ben and Mr Katen prepared a new compost bin and we put all the weeds into the compost bin.

We really enjoyed the experience!

NO HAT, PLAY IN THE COLA

Fourth term equals hat term.

The onset of the, hopefully, warmer weather means a strict adherence to our No Hat, Play in the COLA policy. As the weather warms up beanies are not considered suitable hats for protection from the sun.

Please ensure names are clearly marked on the inside of all hats.

Broad brimmed school hats are available from the office at a cost of \$12.00.

Bus Applications

For all new students starting next year who will be eligible for a bus pass, application is online. Visit:-

Uniform Price Change / Increase

Due to needing to source a new supplier for our girls summer dresses we have had to increase the sale price. The cost of a summer dress is now \$43.00. This is the first price increase in more than 10 years. All other uniform costs remain the same. All uniforms are fully stocked and are available to purchase Tuesday, Wednesday and Thursday of each week and every second Friday.
